Required Supporting Documentation

Attached – I have attached supporting documentation for this record as specified by the required documentation list on page 2. Any non-personally identifying information I submit to CARFAX may be used to amend the vehicle history relating to the above referenced Vehicle Identification Number (VIN). I certify that I have permission to use any and all information submitted to CARFAX, and that CARFAX has the right to incorporate this information into its Vehicle History Report.

Not Available – I certify that I HAVE CONDUCTED A THOROUGH SEARCH FOR SUPPORTING DOCUMENTATION, AND IT IS NOT AVAILABLE TO ME. However, I would like to make an immediate change to the record as it is my belief that the data is incorrect based on the reason stated above. I understand and will conform to the terms listed below.

I, the undersigned, certify that the information I am providing to CARFAX is accurate and complete. I acknowledge and agree that if CARFAX makes the requested change, CARFAX (1) may independently research this data issue; (2) reserves the right to modify its database based on the results of its research review; and (3) will notify me of the results of its research review. Should the record get reinstated after research, I understand that it is my responsibility to inform the buyer of the reinstatement of this record should I sell this vehicle. I further understand that if CARFAX is asked to comply in a vehicle fraud investigation, I agree and consent to disclosure to law enforcement agencies of this document with the information I have certified. I also understand that I may be personally subject to civil or criminal penalties for willful misstatements, or omissions in the information I have provided, and I agree to indemnify CARFAX for any damages incurred as a result of any such misstatements or omissions.
